10:07:31 From Jennifer Pence : court starts at 9 at all locations

10:08:57 From Amber Abrahamson Tenants Union : Why would we be enforcing any sit and lie ordinances when there is not enough housing, shelters and resources? This ordinance needs to be repealed!

10:09:05 From shackenberg : Also if anyone wants one, I have Calendars for Community Court all locations and times throughout 2021, just email me at Shackenberg@spokanecity.org and I will be happy to send one

10:12:35 From Becky Dickerhoof : the community Court Coordinator last month mentioned not all officers honor the 48 hour notice to move on. Can you explain how that happens?

10:14:10 From Ken Lee + Joan Medina (Cannon + Brigids Cloak) : "spray and sanitize" - is this the spraying they do under the bridges that freezes into ice to dissuade people from sheltering under the bridges?

10:14:16 From John Edmondson : Thanks everyone for your contributions to the conversation today. I have to head out, but look forward to hearing more about the warming centers in church buildings. JEdmondson77@gmail.com

10:15:43 From Maurice : I think 48 hour notices apply to "No Camping" not "Sit & Lie"

10:17:07 From Maurice : Thank you for being here Jason Hartman. Much appreciated.

10:17:29 From shackenberg : Just to clarify, to my knowledge the vast majority of officers do give notice prior to citation in the Sit and Lie ordinance, there has been a few times in the past where that didn't happen but I think it was just a misunderstanding in training.

10:18:41 From shackenberg : Thank you Sgt. Hartman

10:24:51 From jhartman : The spraying we assist with downtown is exclusively in the downtown viaducts (usually Browne and Madison). It knocks down the urine and fecal matter odors. They typically don't spray when daytime temperatures are below freezing to avoid the hazard of iced over sidewalks.

10:27:25 From Ken Lee + Joan Medina (Cannon + Brigids Cloak) : We'd like to get more information on when and where the spraying happens. How can we get that, thanks?

10:29:26 From New Hope Resource Center : New Hope Resource Center

10:29:35 From New Hope Resource Center : 4211 E Colbert Rd

10:29:48 From jhartman : Most Tuesdays at 10 am starting on Browne

10:37:40 From Transitions : Can you talk about the COVID protocols with the City Church pop up shelter

10:39:12 From RobBryceson : For Instance - the Gathering House Church is supplying 40 sack lunches every day for the next two weeks. It would be great to have another church (or group or people) step up and be willing to take a week or two, OR join with us in funding, packing and delivering these meals.

10:39:15 From Barry Barfield : Maurice has made a 30 minute "how to" create a pop-up shelter video and part of that video addresses COVID protocols.

10:41:39 From Becky Dickerhoof : How would you address a recent comment I heard that "these people shouldn't have been moved into Spokane"?

10:44:37 From Maurice : Our next documentary, "Pop-Up Warming Centers" highlights the need for warming centers in the absence of adequate shelter beds in the City, and details a dozen specific things that a warming center operator should know about. I filmed it at the Westminster Warming Center the end of October.

10:44:39 From Becky Dickerhoof : Great Response. I will definitely use this in my response to them in the future!

10:45:02 From RobBryceson : Just in case you want to follow up with my above post. Rob@gatheringhouse.org.

10:45:29 From Angela Chapman Transitions she/her/hers : if i may add, Jewels post on Facebook being made shareable was a very easy way for us to share the needs.

10:47:25 From Amber Huwe : Thank you Julie, New Hope and City Church!! It's wonderful to see all of the needs met during this past month!!!!
